

>> scholarship information

Dear Parents,

I am pleased to present information regarding our Scholarship process. I ask that you please read this information carefully as each step must be completed in order for a scholarship to be awarded.

On Wednesday, December 7, 2016, Archbishop Stepinac High School will host a scholarship exam for academically qualified students. The exam begins at 4pm. **The 'tear-off' form below must be completely filled out and returned to our Admissions Office by Friday, December 2, 2016.**

The student's current principal must sign the form indicating that the student has a current minimum grade average of 85%. The fee to sit for the exam is \$20. Checks are made payable to Archbishop Stepinac High School.

Based on the student's Scholarship Exam score and his TACHS exam score, Archbishop Stepinac High School will invite students to attend our Scholarship Evening. This invitation will be sent as part of the acceptance letter that will be mailed January 11, 2017. The Scholarship Evening is scheduled for Thursday, January 26, 2017 beginning at 5pm. Dinner is provided. Detailed information regarding the evening will be provided with the invitation.

Archbishop Stepinac High School will then award scholarships. Recipients will be notified during the first week of February 2017.

Sincerely,

Paul Carty
Principal
