

# >> scholarship information

Dear Parents,

I am pleased to present information regarding our Scholarship process. I ask that you please read this information carefully as each step must be completed in order for a scholarship to be awarded.

On Wednesday, December 6, 2017, Archbishop Stepinac High School will host a scholarship exam for academically qualified students. The exam begins at 4pm. **The 'tear-off' form below must be completely filled out and returned to our Admissions Office by Friday, December 1, 2017.**

The student's current principal must sign the form indicating that the student has a current minimum grade-point average of 90%. The fee to sit for the exam is \$20. Checks are made payable to Archbishop Stepinac High School.

Based on the student's Scholarship Exam score and his TACHS Exam score, Archbishop Stepinac High School will offer academic scholarships. Scholarship awards will be included in acceptance letters which will be mailed in January 2018.

Sincerely,

**Paul Carty**  
Principal
