BUSINESS ATTIRE

celebrate one of Westchester's most respected educational institutions as we honor a group of Westchester's distinguished leaders from the fields of business, government and education.

The fourth Stepinac Trustees Awards Reception recognizes individuals for their contributions in creating a lasting legacy for the school which in turn has provided an unmatched educational experience for thousands of Stepinac students.

We are at a critical turning point in Stepinac's 69-year history, as Stepinac is now an independent high school with its own Board of Trustees. We have a unique opportunity to firmly establish Stepinac as one of the region's preeminent schools, one that serves a diverse student population from across the county.

Thank you for ensuring Stepinac's continued tradition of shaping the lives of young men for future generations.
